

Reach **2.6 million** consumers across six distinct properties.

We are Open Road Integrated Media.

Open Road Integrated Media is a prestige content brand delivering digital experiences that entertain and inform readers around the world; our network of digital properties produces compelling stories that keep audiences engaged—across devices. Our catalog includes more than 32,000 titles that we market on behalf of leading publishers around the globe.

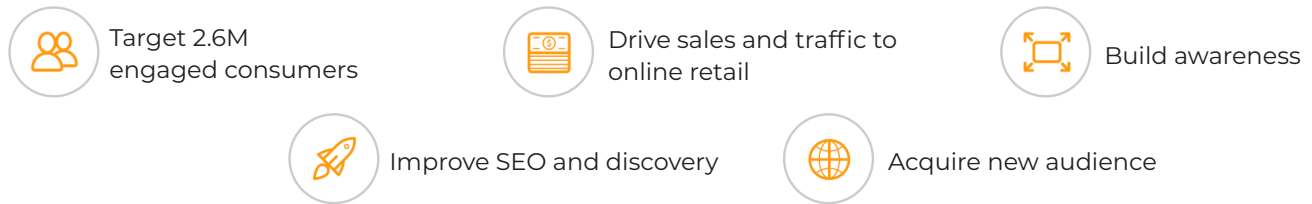

We research audience demand, develop engaging content, and launch campaigns powerfully to bring in readers via 6 distinct sites, newsletters, and social channels. This approach works beautifully for our titles and our vast network of partner titles—readers know they will find high quality and engaging books when they turn to ORIM. We're delighted to include your books here as well.
